NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by
Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
  - o $500,000 in death benefits
  - o $200,000 in cash surrender or withdrawal values
- Health Insurance
  - o $500,000 in hospital, medical and surgical insurance benefits
  - o $500,000 in long-term care insurance benefits
  - o $500,000 in disability income insurance benefits
  - o $500,000 in other types of health insurance benefits
- Annuities
  - o $250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

Second Level Appeal. If a Covered Person disagrees with the response to the initial appeal of the denied claim, the Covered Person has the right to a second level appeal. A request for a second level appeal must be submitted to Us within sixty (60) calendar days after receipt of Our response to the initial appeal. We shall communicate Our final determination to the Covered Person within thirty (30) calendar days from receipt of the request, or as required by any applicable state or federal laws or regulations. Additionally, under the provisions of ERISA (Section 502(a)(1)(B) 29 U.S.C. 1132(a)(1)(B)), the Covered Person has the right to bring a civil action when all available levels of reviews, including the appeal process, have been completed. ERISA remedies may apply in those instances where the claims were not approved in whole or in part as the result of appeals under this Policy and the Covered Person disagrees with the outcome of such appeals.

Time of Action. No action in law or in equity shall be brought to recover on this Policy prior to the Covered Person exhausting his/her rights under this Policy and/or prior to the expiration of sixty (60) calendar days after the claim and any applicable documentation has been filed with Us. DEFINITIONS

As used in this certificate, the terms listed below will have the meanings set forth below. When defined terms are used in this certificate, they will appear with initial capitalization. The plural use of a term defined in the singular will share the same meaning.

Anisometropia means a condition of unequal refractive state of the two eyes, one eye requiring a different lens correction than the other.

Child means the following: (for residents of Alaska, Louisiana, Minnesota, Montana, New Hampshire, New Mexico, Texas, Utah and Washington, the Child Definition is modified as explained in the notice pages of this certificate - please consult the Notice)

Your natural or adopted child; Your stepchild; or a child who resides with and is fully supported by You; and who, in each case, is under age 26 and unmarried.

The definition of Child includes newborns.

An adopted child includes a child placed in Your physical custody for purpose of adoption. If prior to completion of the legal adoption the child is removed from Your custody, the child's status as an adopted child will end.

If You provide Us notice, a Child also includes a child for whom You must provide Vision Insurance due to a Qualified Medical Child Support Order as defined in the United States Employee Retirement Income Security Act of 1974 as amended.

The term includes an Employee's Child who is incapable of self-sustaining employment because of a mental or physical disability as defined by applicable law, and has been so disabled continuously since a date before the Child reached the limiting age and who otherwise qualifies as a Child except for the age limit.

For the purposes of determining who may become covered for insurance, the term does not include any person who:

VISION INSURANCE

Benefits are available for Covered Services and Materials provided by either In-Network Vision Providers or Out-of-Network Vision Providers. However, You may be able to reduce Your out-of-pocket costs by using In-Network Vision Providers because Out-of-Network Vision Providers have not entered into an agreement to limit their charges. You are always free to receive services from any Vision Provider. You do not need any authorization from Us before seeing a Vision Provider.

In-Network Vision Providers have agreed to provide Covered Services and Materials as listed in the SCHEDULE OF BENEFITS.

If You or a Dependent incur a charge for Covered Services and Materials from an Out-of-Network Vision Provider, Proof of such service must be sent to Us. When We receive such Proof, We will review the claim and if We approve it, will pay the insurance in effect on the date that service was completed.

The benefits available under this Vision Insurance are set forth on the SCHEDULE OF BENEFITS. In addition to the Co-Payment, if applicable, You may be responsible for:

- the cost of any services or materials that are not Covered Services and Materials; and
- the cost of any service or material that is in excess of the Maximum Benefit Allowance listed on the SCHEDULE OF BENEFITS.

We do not provide vision services. Whether or not benefits are available for a particular service does not mean You should or should not receive the service. You and Your Vision Provider have the right and are responsible at all times for choosing the course of treatment and services to be performed.

When requesting Covered Services and Materials from an In-Network Vision Provider, We recommend that You confirm that the Vision Provider is currently an In-Network Vision Provider at the time that the Covered Services and Materials are provided.

You can obtain a customized listing of MetLife's In-Network Vision Providers either by calling 1-855-METEYE1 or by visiting Our website at www.metlife.com/mybenefits.

PLAN BENEFITS

We will pay benefits for charges incurred by You or a Dependent for Covered Services and Materials as shown in the SCHEDULE OF BENEFITS, subject to the conditions set forth in this certificate.

If You receive Covered Services and Materials from an In-Network Vision Provider, We will pay the provider directly for all covered benefits.

If You or Your Dependent receive Covered Services and Materials from an Out-of-Network Vision Provider, and You assign payment of Vision Insurance benefits to Your or Your Dependent's Vision Provider, We will pay benefits directly to the Vision Provider. Otherwise, We will pay Vision Insurance benefits to You.

In-Network

If Covered Services and Materials are provided by an In-Network Vision Provider, We will base the benefit on the Plan Benefits listed on the SCHEDULE OF BENEFITS.

If an In-Network Vision Provider provides Covered Services and Materials, You will be responsible for paying:

- the Co-Payment, if applicable; and
- the cost of any service or material that is in excess of the Plan Benefits listed on the SCHEDULE OF BENEFITS.

Out-of-Network

If Covered Services and Materials are provided by an Out-of-Network Vision Provider, We will base the benefit on the Plan Benefits listed on the SCHEDULE OF BENEFITS, subject to the Maximum Benefit Allowance.

Out-of-Network Vision Providers may charge You more than the Maximum Benefit Allowance. If an Out-of-Network Vision Provider provides Covered Services and Materials, You will be responsible for paying any amount in excess of the Maximum Benefit Allowance charged by the Out-of-Network Vision Provider.

Necessary Contact Lenses

VISION INSURANCE: COORDINATION OF BENEFITS

When You or a Dependent incur charges for Covered Services and Materials, there may be other Plans, as defined below, that also provide benefits for those same charges. In that case, We may reduce what We pay based on what the other Plans pay. This Coordination of Benefits section explains how and when We do this.

DEFINITIONS

In this section, the terms set forth below have the following meanings:

Allowable Expense means a necessary vision expense for which both of the following are true:

- a Covered Person must pay it; and
- it is at least partly covered by one or more of the Plans that provide benefits to the Covered Person.

If a Plan provides fixed benefits for specified events or conditions (instead of benefits based on expenses incurred), such benefits are Allowable Expenses.

If a Plan provides benefits in the form of services, We treat the reasonable cash value of each service performed as both an Allowable Expense and a benefit paid by that Plan.

The term does not include:

- expenses for services performed because of a Job-Related Injury or Sickness;
- any amount of expenses in excess of the higher reasonable and customary fee for a service, if two or more Plans compute their benefit payments on the basis of reasonable and customary fees;
- any amount of expenses in excess of the higher negotiated fee for a service, if two or more Plans compute their benefit payments on the basis of negotiated fees; and
- any amount of benefits that a Primary Plan does not pay because the covered person fails to comply with the Primary Plan's managed care or utilization review provisions, these include provisions requiring:
  - second surgical opinions;
  - pre-authorization of services;
  - use of providers in a Plan's network of providers; or
  - any other similar provisions.

If You or a Dependent are also covered under an HMO plan, We will not use this provision to refuse to pay benefits because an HMO member has elected to have vision services provided by a non-HMO provider and the HMO's contract does not require the HMO to pay for providing those services.

Claim Determination Period means a calendar year or plan year. A Claim Determination Period for any Covered Person will not include periods of time during which that person is not covered under This Plan.

Custodial Parent means a Parent awarded custody, other than joint custody, by a court decree. In the absence of a court decree, it means the Parent with whom the child resides more than half of the Year without regard to any temporary visitation.

HMO means a Health Maintenance Organization or Vision Health Maintenance Organization.

Job-Related Injury or **Sickness** means any injury or sickness:

- for which You are entitled to benefits under a workers' compensation or similar law, or
- any arrangement that provides for similar compensation; or arising out of employment for wage or profit.

Parent means a person who covers a child as a dependent under a Plan.

Plan means any of the following, if it provides benefits or services for an Allowable Expense:

- a group insurance plan;
- an HMO;

- a blanket plan;
- uninsured arrangements of group or group type coverage;
- a group practice plan;
- a group service plan;
- a group prepayment plan;
- any other plan that covers people as a group;
- any other coverage required or provided by any law or any governmental program, except Medicaid.

The term does not include any of the following:

- individual or family insurance or subscriber contracts;
- individual or family coverage through closed panel Plans or other prepayment, group practice or individual practice Plans;
- hospital indemnity coverage;
- a school blanket plan that only provides accident-type coverage on a 24 hour basis, or a "to and from school basis," to students in a grammar school, high school or college;
- disability income protection coverage;
- accident only coverage;
- specified disease or specified accident coverage;
- nursing home or long term care coverage; or
- any government program or coverage if, by state or Federal law, its benefits are excess to those of any private insurance plan or other non-government plan.

The provisions of This Plan, which limit benefits based on benefits or services provided under Plans which the employer, Policyholder (or an affiliate) contributes to or sponsors will not be affected by these Coordination of Benefits provisions.

Each policy, contract or other arrangement for benefits is a separate Plan. If part of a Plan reserves the right to reduce what it pays based on benefits or services provided by other Plans, that part will be treated separately from any parts which do not.

This Plan means the vision benefits described in this certificate, except for any provisions in this certificate that limit insurance based on benefits for services provided under plans which the Policyholder (or an affiliate) contributes to or sponsors.

Primary Plan means a Plan that pays its benefits first under the “Rules to Decide Which Plan Is Primary” section. A Primary Plan pays benefits as if the Secondary Plans do not exist.

Secondary Plan means a Plan that is not a Primary Plan. A Secondary Plan may reduce its benefits by amounts payable by the Primary Plan. If there are more than two Plans that provide coverage, a Plan may be Primary to some plans, and Secondary to others.

RULES TO DECIDE WHICH PLAN IS PRIMARY

When more than one Plan covers the person for whom Allowable Expenses were incurred, We determine which plan is primary by applying the rules in this section.

When there is a basis for claim under This Plan and another Plan, This Plan is Secondary unless:

- the other Plan has rules coordinating its benefits with those of This Plan; and
- this Plan is primary under This Plan's rules.

The first rule below, which will allow Us to determine which Plan is Primary, is the rule that We will use.

Dependent or Non-Dependent: A Plan that covers a person other than as a dependent (for example, as an employee, member, subscriber, or retiree) is Primary and shall pay its benefits before a Plan that covers the person as a dependent; except that if the person is a Medicare beneficiary and, as a result of federal law or regulations, Medicare is:

- Secondary to the Plan covering the person as a dependent; and
- Primary to the Plan covering the person as other than a dependent (e.g., a retired employee);

then the order of benefits between the two Plans is reversed and the Plan that covers the person as a dependent is Primary.

Child Covered Under More Than One Plan – Court Decree: When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, and the specific terms of a court decree state that one of the Parents must provide health coverage or pay for the Child's health care expenses, that Parent's Plan is Primary, if the Plan has actual knowledge of those terms. This rule applies to Claim Determination Periods that start after the Plan is given notice of the court decree.

Child Covered Under More Than One Plan – The Birthday Rule: When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, the Primary Plan is the Plan of the Parent whose birthday falls earlier in the Year if:

- the Parents are married; or
- the Parents are not separated (whether or not they have ever married); or
- a court decree awards joint custody without specifying which Parent must provide health coverage.

If both Parents have the same birthday, the Plan that covered either of the Parents longer is the Primary Plan.

However, if the other Plan does not have this rule, but instead has a rule based on the gender of the parent, and if as a result the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

Child Covered Under More than One Plan – Custodial Parent: When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, if the Parents are not married, or are separated (whether or not they ever married), or are divorced, the Primary Plan is:

- the Plan of the Custodial Parent; then
- the Plan of the spouse of the Custodial Parent; then
- the Plan of the non-custodial Parent; and then
- the Plan of the spouse of the non-custodial Parent.

Active or Inactive Employee: A Plan that covers a person as an employee who is neither laid off nor retired is Primary to a Plan that covers the person as a laid-off or retired employee (or as that person's Dependent). If the other Plan does not have this rule and, if as a result, the Plans do not agree on the order of benefits, this rule is ignored.

Continuation Coverage: The Plan that covers a person as an active employee, member or subscriber (or as that employee's Dependent) is Primary to a Plan that covers that person under a right of continuation pursuant to federal law (e.g., COBRA) or state law. If the Plan that covers the person has not adopted this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule shall not apply.

Longer/Shorter Time Covered: If none of the above rules determine which Plan is Primary, the Plan that has covered the person for the longer time shall be Primary to a Plan that has covered the person for a shorter time.

No Rules Apply: If none of the above rules determine which Plan is Primary, the Allowable Expenses shall be shared equally between all the Plans. In no event will This Plan pay more than it would if it were Primary.

VISION INSURANCE: COORDINATION OF BENEFITS (continued)

EFFECT ON BENEFITS OF THIS PLAN

If This Plan is Secondary, when the total Allowable Expenses incurred by a covered person in any Claim Determination Period are less than the sum of:

- the benefits that would be payable under This Plan without applying this Coordination of Benefits provision; and
- the benefits that would be payable under all other Plans without applying Coordination of Benefits or similar provisions;

then We will reduce the benefits that would otherwise be payable under This Plan. The sum of these reduced benefits plus all benefits payable for such Allowable Expenses under all other Plans will not exceed the total of the Allowable Expenses. Benefits payable under all other Plans include all benefits that would be payable if the proper claims had been made on time.

FACILITY OF PAYMENT

A payment made under another Plan may include an amount which should have been paid under This Plan. If it does, We may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes benefits provided in the form of services, in which case We may pay the reasonable cash value of the benefits provided in the form of services.

RIGHT OF RECOVERY

If the amount We pay is more than We should have paid under this Coordination of Benefits provision, We may recover the excess from one or more of:

- the person We have paid or for whom We have paid;
- insurance companies; or
- other organizations.

The amount of the payment includes the reasonable cash value of any benefits provided in the form of services.

Uniformed Services Employment And Reemployment Rights Act

This section describes the right that you may have to continue coverage for yourself and your covered dependents under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

Continuation of Group Vision Insurance:

If you take a leave from employment for "service in the uniformed services," as that term is defined in USERRA, and as a consequence your vision insurance coverage under your employer's group vision insurance policy ends, you may elect to continue vision insurance for yourself and your covered dependents, for a limited period of time, as described below.

The law requires that your employer notify you of your rights, benefits and obligations under USERRA including instructions on how to elect to continue insurance, the amount and procedure for payment of premium. If permitted by USERRA, your employer may require that you elect to continue coverage within a period of time specified by your employer.

You may be responsible for payment of the required premium to continue insurance. If your leave from employment for service in the uniformed services lasts less than 31 days, your required premium will be no more than the amount you were required to pay for vision insurance before the leave began; for a leave lasting 31 or more days, you may be required to pay up to 102% of the total vision insurance premium, including any amount that your employer was paying before the leave began.

Your and your covered dependents' insurance that is continued pursuant to USERRA will end on the earliest of the following:

- the end of 24 consecutive months from the date your leave from employment for service in the uniformed services begins; or
- the day after the date on which you fail to apply for, or return to employment, in accordance with USERRA.

You and your covered dependent may become entitled to continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act ("COBRA") while you have vision insurance coverage under your employer's group vision insurance policy pursuant to USERRA. Contact your employer for more information.
